

Fractional Currency Collectors Board  
c/o M.R. Friedberg  
2537 Claver Road  
Cleveland, Ohio 44118  
March 31, 1988

Fellow Members,

Once again its time for our annual call for the Annual Meeting and Banquet to be held in conjunction with the Memphis Paper Money Show. The show dates are set as Friday, June 24, 1988 through Sunday, June 26, 1988 at the Convention Center in Memphis, Tennessee. The Convention Hotel is the Holiday Inn Crowne Plaza with the Sheraton as the backup Hotel.

President Hale is planning our Breakfast meeting for 7:00 AM, Saturday, June 25, at The Holiday Inn Crowne Plaza at the Fountain Pool Terrace on the third floor of the Hotel. The Breakfast will be a Buffet and a charge of \$8.5 each plus gratuity will be levied by the Hotel. If we do it properly, you will all be able to attend the convention meetings after the FCCB meeting. Your 1988 Dues will be due at that meeting and our Treasurer will be there with receipt book! In addition, we are planning another open Question and Answer session plus a Martin Gengerke slide show for Saturday at the Convention Center.

Please watch the Convention publicity for exact details. FCCB Member Martin Delger is the Memphis Paper Money Convention Exhibits Chairman and is arranging with Member Len Glazer for a donated award for the best Fractional Currency exhibit.

FCCB Treasurer, Dr. Wally Lee advises that as of January 31, 1988 our Treasury was at \$1384.04, with 9 members arrears in dues. Since that time checks have been received from 3 members and two members have relinquished their memberships because of lost interest in the hobby. Member Jim Raye(#29) has apparently moved and his mail has been returned by the post office. Glen Cota(#57), Kiefaber(#43), Ganter(#47), Foster(#60), Scott(#75), Elwell(#76), Simoneaux(#78), Targosz(#83), Jones(#71) are dropped from our roster.

Member Kenneth Keller is attempting to list all known Sutler Paper Scrip. He would greatly appreciate any input from you that would add to his list. His address is 9090 Kinsman-Pymatuning Rd. Kinsman, OH 44428.

Carlton Snyder(#51), sent a note asking for more stories on Fractional Currency; More than the one big bulletin issued after the Memphis Meeting and more info from Dealers. Hopefully, our dealer members will pick up on his request for dealer lists. As far as more bulletins, if you will send the info the Fractional Currency data will be distributed to the membership. (NB: After last years complaint that I was dominating the organization, Bulletins were only issued when you gave me something to say for you). Several Fractional articles were submitted by members to Terry Cox for his Price List and Several other articles have appeared in The Banknote Reporter and in Coin World. They have not been reproduced, since you all subscribe to the media and were on the dealer lists. In any case attached is the latest up to date membership list,
